

Invitation

"Enabling healthy workplaces in the age of digitalisation"

Date 03.-05.09.2025

Venue: Hotel Iunion Bilbao, Rodríguez Arias, 66, Bilbao, Spain

'Enabling healthy workplaces in the age of digitalisation' requires the interplay of politics, society and European institutions. The aim is to reap the benefits of digitalisation without neglecting the health of employees. The seminar is in line with the EU's strategic framework for health and safety at work 2021-2027 and the objectives of the European digital strategy. Work-leisure balance, new physical and mental stresses, the digital divide and social isolation are key words in the social context.

We are pleased to be able to organise this seminar in close cooperation with the European Agency for Safety and Health at Work (EU-OSHA). EZA is an official campaign partner of 'Safe and healthy work in the digital age' and we are pleased to be able to make a small contribution with this seminar.

Seminar languages:

German/English/Spain/Romanian

Participation fee:

Participants who do not require overnight accommodation do not pay a conference fee. For all other participants there will be a fee of €100 (reduced fee of €50 for participants from Romania)

Travel and travel costs:

Costs will be reimbursed on application in accordance with the EZA 2025 regulations.

We would be delighted to see you in Spain:
European Centre for Workers' Questions / EZA,
Nell-Breuning-Haus / NBH (Germany),
Institutul de Formare Economica si Sociala (Romania)

Funded by the European Union
